Notes:

Disclaimer

I was presented this form by the driver prior to delivery but chose not to check off my inventory.

Customer Notice:

This is not your household goods inventory. This is an item check-off list to assist you in checking off the items on your inventory. It is imperative that you describe any loss, damage or other changes in your shipment on the inventory pages. Draw a circle around the numbers for any items that are missing. Sign each page of the "Household Goods Descriptive Inventory." Once signed, those inventory forms become verification of the delivery and condition of your shipment.
